SKYSCRAPER STYLE

MILE HIGH SANDWICHES are made in the New York deli tradition – homage to the city and a nod to the birthplace of the American deli sandwich itself. We know two things are true in New York – *nothing is small, and everyone has an opinion* – so at Chompie's, you get to tell us just how you want your sandwich. We pile it **HIGH** with meat, cheese if you like, on the bread of your choice. Whether it's on the Double-Baked Jewish Rye or a Gluten Free Friendly Bagel or Roll, we make all our baked goods from scratch each day. Every sandwich comes with a side of homemade potato salad, or cole slaw, and – of course – pickles.
